## SANTA'S COTTAGE IS BACK!! December 13-14-15

It's that time of year again. For those that are new to Salem, Santa's Cottage is a great way for the children at school to go and shop for presents for their family and friends. A lot of children like to do this so mom and dad or grandparents have no idea what they picked out. It is also a fun time to see what your child picks out for you when someone from the family is not around to help. We set up a room in the school with gifts that range from a \$1 up to \$11. (Most are in the mid range.) There is stuff for everyone including a few for pets. The presents range from jewelry, to toys, to personal items with mom, dad, brother, sister, grandma, grandpa, aunt, and uncle on it. We also have Cardinal, Blues, and Mizzou stuff. After the children pick out their items for family and friends, they wrap it there, so it is ready to go for Christmas and no one knows what it is but them.

As always, I need a lot of volunteers to help make this possible. Volunteering can consist of helping children shop for their presents, or if you do not care for that or feel uncomfortable with that, we also need people to sit and help the children wrap their presents. Below I have the link to sign up to help make this a success. Please even if you can only give an half hour or hour, it would be much appreciated.

## Gymnasium Improvement Update -

Work from the Edwin P. Christmann Memorial continues in our gymnasium. We are getting closer and closer to the completion and "reveal" of our newly renovated gym. This week 14 sections of the multiplex gym flooring was delivered. The floor is being prepped and installed this week. Next week the new lines will be painted for the basketball and volleyball courts. Meanwhile, the bleachers are being built now in Canada and are scheduled to be shipped to us and install the last week of November. Additionally, we are replacing the windows above the storage room with filtered glass blocks. The glass block installation is also scheduled for the last week of November followed by some paint touch ups around the gym. As all things fall into place, we are looking forward to being in the gym by Monday, December 4 - the week of our annual Salem 7th and 8th grade Basketball Tournament. Plans for the re-dedication of the gym are in the works.

Thanks be to God!
