SPRING 2018

Our Mission Statement: Connecting to Christ, Growing in Grace, Seeking to Serve

"I AM THE LIVING GOD, The Resurrection and The Life; whoever trusts in me, even if he dies, he shall live." John 11:25

Volunteering in your child's school and being involved creates a strong school and parent relationship. Parent involvement has decreased in schools throughout the years. More parents work, businesses have extended their hours so parents work longer days, and there might even be different expectations placed on employees. Sometimes, the advancement of technology causes a lack of communication. Excuses aside, parents and schools want a stronger relationship. Being involved and connecting with the church and school will create an awesome experience. If you haven't become engaged in a part of Salem, guess what, we want you! In a few months, we will be at the end of the 2017-2018 school year. We will send out a survey to parents and strongly encourage your participation. Share your thoughts, ideas, and concerns. Start to think about ways we could improve communication and things you would enjoy volunteering for next year!

When I read John 11:25, I'm reminded of Holy Week and Easter. I'm reminded of His sacrifice and my imperfections. I see Jesus shining through my weaknesses. I read a quote that said "Those who leave everything in God's Hands will see God's Hand in everything." God is at work. Jesus came to do what we could not.

Dear Jesus, thank You for being the Bright Morning Star in our lives, in Jesus' name. Amen.

Make sure your child comes to school with coats and layers appropriate for outdoor play.
