Good news, Salem Families!
We've shortened our school supply lists this year to help keep your back-to-school costs low! We removed classroom-wide cleaning items like disinfectant wipes, tissues, and hand sanitizer from the student lists.
If you would like to graciously chip in and help Salem offset the cost of these everyday essentials, we are accepting AMAZON and WALMART GIFT CARDS or CASH DONATIONS in the school office.
Your generosity directly supports our classrooms and teachers—thank you!
